

PRELIMINARY DRAWING - FOR LAYOUT PURPOSES ONLY

REVISIONS			
REV	DESCRIPTION	DATE	BY

**NOTE 1:** Do not scale drawing. This drawing is for general truck configuration only. All items and dimensions shown are approximate and may vary with final production. The drawing may not provide illustration for all items in the specification. In all situations where the drawing may contradict the specifications, the specifications shall prevail. This drawing and all data herein are provided as confidential materials and shall not be reproduced without written consent of the manufacturer.

**NOTE 2:** Chassis frame height will change due to axle characteristics, loading and the dimensions which will effect the overall height dimension shown. Any overall height restrictions should take this into consideration and allow approximately 2-3 inches of tolerance.
