

**HARD-WORKING DURABILITY.
BUILT ON COMMON SENSE DETAILS.**

Aeromaster®
Walk-in Step Van

BUILT TO DELIVER ON COMFORT, RELIABILITY, AND LONG-LASTING QUALITY.

The highest quality, most durable Walk-in Van.

Utilimaster's Aeromaster walk-in step van is the industry-standard for delivery and service vehicles. Built on a purpose-built chassis ready to shoulder your load, the walk-in van has maximum versatility and interior design capabilities, with a highly modular cargo area and multiple side and rear door configurations. With the driver in mind, we customize every walk-in van to increase productivity and safety – ensuring unmatched performance for the road ahead.

Customized to Meet Any Upfit Need.

With nearly 50 years building fleets, Utilimaster has the knowledge, experience, and know-how to deliver the right upfit for each job. Whether you're delivering packages, groceries, or essential utility services, Utilimaster specs solutions, not just shelves.

Peace of Mind

Not only does Utilimaster build durable and reliable step vans, we stand by our products with 5-year, 150,000 mile body warranties.

of Packages Delivered Each Year

COMMON SENSE SOLUTIONS.

C Wider Steps
Entry and egress design is paramount to driver safety and efficiency, and Utilimaster offers the industry's largest step van entrance.

A 360 Degree Camera
Keeping your vehicle and drivers safe in driveways, alleys, and urban roads, Utilimaster provides industry-leading safety mechanisms to protect your assets.

B Foldable Worktable
The step van is a mobile office, and we've designed our cabs to keep your work organized and secure.

D Backup Sensors
Seeing is believing but hearing the threat of oncoming obstructions can alert drivers to potential hazards - keeping both vehicle and drivers safe.

E Wider Bulkhead and Rear Doors
Getting from cab to cargo and delivering with efficiency equals profitability. Utilimaster specs and designs our vehicles to match the day-in and day-out rigors of package and service delivery.

A RANGE OF QUALITY VEHICLES TO FIT EVERY ROUTE.

**500-1700
Cubic Feet**
